(Kind Attention: **Mr. Purvesh M. Shah**)

Dear Sir,

QCI – NABET Scheme for Accreditation of EIA Consultant Organization

This is with reference to your application for QCI – NABET Accreditation as EIA Consultant Organization.

We are pleased to inform you that based on Document & Office Assessment, the Accreditation Committee has recommended the conditional accreditation of **Siddhi Consultants** as per the scope given in Annexure I (A & B).

Please confirm the correctness of spellings of the names of the experts mentioned in Annexure I B. The detailed terms and conditions are mentioned in Annexure II. You are also advised to check the QCI website for the Minutes of the Accreditation Committee Meeting held on November 01, 2011, for observations related to your application or any decisions with respect to Scheme/ assessment process and take necessary action for compliance.

The accreditation of your organization will be for three year period starting August 20, 2011. The annual renewal of the accreditation will be confirmed after surveillance assessment every year. Surveillance assessments will be conducted to ensure compliance with NABET Scheme and the details mentioned in your Quality Manual.

May we request you for an early payment of the annual fees and your confirmation of acceptance of the terms and conditions attached. This will enable us to issue you the requisite accreditation letter & certificate which will be valid for one year duration.

We thank you for your esteemed support in making this scheme successful and for your participation in this national cause.

Thanks and best regards,

Yours sincerely,

Vipin Sahni
Director

Terms and conditions

Annexure –II

The accreditation of **Siddhi Consultants** as EIA Consultant Organization is subject to compliance to requirements of QCI – NABET Scheme and following conditions but not limited to:

1. Implementation of systems/ procedures documented in your Quality Manual to meet the requirements of the NABET EIA Consultant Accreditation Scheme.
2. Timely replacement of experts - In absence of the accepted EIA Coordinators/Functional Area Experts for any of the accredited sector/expertise area/s, the organization shall ensure that a suitable replacement with equivalent or higher educational background and experience is arranged (In-house/ empanelled). The organizations shall inform NABET of such development immediately and follow the process mentioned in section 3.10 of the Scheme. Necessary documents supporting educational qualification and experience of such replacement experts shall be submitted to NABET within 1 month of such change. NABET will provisionally accept/ not accept the candidature based on the details given in the documents. Such changes will be assessed and regularized during the next surveillance audit. The Letter of association of EIA Coordinator/Functional Area experts shall be submitted to NABET (QCI) indicating his/ her availability and commitment for the job in line with NABET Scheme.
3. Intimation of Changes – In case of any change in the organization related to systems, procedures, laboratory and other facilities, the same shall be intimated to NABET on 6 monthly basis. Such changes shall be audited by NABET in the next surveillance assessment or as deemed fit by the NABET Accreditation Committee.
4. Submission of annual fee, as applicable. Failure to pay this fee will be considered as a non-conformance.
5. The name of EIA Coordinators and FAEs involved shall be recorded in all EIA reports. These reports should contain requisite signatures of the EIA Coordinator and the FAEs involved. This should be also authenticated by the head of the consultant organization.
6. The consultant organization agrees for a surveillance assessment every year for continuance of its accreditation
7. On completion of three years, a complete re-assessment would be undertaken which will include documentation, and office assessment for continuation of NABET Accreditation.

8. The consultant organization shall strictly follow the requirements pertaining to conditions for suspension or cancellation of Accreditation. NABET may suspend or cancel an accreditation because of any of the following, but not be limited to using fraudulent practices by the accredited consultant in respect of its submission/ interaction with NABET which would include deliberate concealment and/ or submission of false or mis-leading information, suppression of information, falsification of records or data, unauthorized use of logo or accreditation, non reporting of completed EIAs to NABET and non-payment of requisite fees against these. The fraudulent practices covering the above aspects would also include the consultant organizations interaction with the project proponent and the EIA reports prepared by them.
9. Maintaining a register of attendance of employees involved in EIA assignments
10. Keeping records of the experts being involved for various EIA projects handled during this period
11. Maintaining records of involvement of time of empanelled experts in various EIA assignments.
12. Declaration of Empanelled Experts indicating the number of organizations they are associated with.
13. Laboratory:
 - a. To ensure generation of baseline data (Ambient air quality, Stack emission, Water & waste water, Soil and Noise) through NABL Accredited/ MoEF registered Laboratory.
 - b. In case in-house laboratory, not NABL accredited/ MoEF registered is used, to strictly follow the relevant clause of 'Broad Guidelines' mentioned on QCI website.
